

Number of Publication

Encyclopedia of Materials: Plastics and Polymers
Carbohydrate Polymers
Environmental Research
Composites Part B: Engineering
Separation and Purification Technology
Energy Conversion and Management
Polymer Testing
Process Safety and Environmental Protection
Energy
Fuel and Energy Abstracts
Renewable and Sustainable Energy Reviews
Fuel Processing Technology
Journal of Building Engineering
Environmental Pollution
Marine Pollution Bulletin
Bioresource Technology
Journal of Environmental Management
Journal of Environmental Chemical Engineering
Chemical Engineering Journal
Fuel
Journal of Analytical and Applied Pyrolysis
Polymer Degradation and Stability
Materials Today: Proceedings
Chemosphere
Journal of Hazardous Materials
Resources, Conservation and Recycling
Science of The Total Environment
Construction and Building Materials
Waste Management
Journal of Cleaner Production
